

Dutch Bio Economy Company Profiles

Present your organization worldwide in the NL BIO Guide 2025. All you have to do is following the below steps. **Deadline: June 30th** and we will take care of the rest:

1. Fill out your company contact details and share your company description in this document.
2. Declare that your company subscribes to the OECD's Corporate Social Responsibility (CSR) guidelines.
3. If applicable, please indicate that your company profile is still valid and up-to-date and doesn't need any update for the latest edition
4. Save this document with your company name as the document name, for example biobusiness.docx.
5. Send your company logo in .eps format. In case you do not have an .eps file, send a high quality (large) .png file.
6. Send a representative picture of your activities (could be product photo or project photo or your office building etc.), preferred size 300 dpi and 13 x 5 cm landscape, in .jpg format. Or, in case not available in this size, a picture that can be cut by us to this size.
7. Send this document with the logo and picture to: **g.mulder@rvo.nl** As subject please state Bioguide.[your_company_name]. For example Bioguide.BioBusiness

By filling in this form your company profile will be part of the Bio-Economy Export guide 2025, published by RVO, Platform Bio-Economie, ChemistryNL – Topsector Energie and will thereby declare that:

- ☐ I declare that my current company profile and corresponding details are still valid and up-to-date.
- ☐ I certify that the activities carried out by the organisation, on behalf of which I am making this application, are carried out in accordance with the OECD Corporate Social Responsibility (CSR) Guidelines.

Subscribe to the OECD's CSR guidelines

OECD Guidelines for Multinational Enterprises contain International Corporate Social Responsibility (IMVO) standards for entrepreneurs who operate across borders, or wish to do so. The Dutch government attaches great importance to entrepreneurs following these guidelines. To qualify for inclusion in this guide, you must declare that your company or organisation subscribes to the OECD guidelines by checking the box below.

More information on Corporate Social Responsibility can be found at www.english.rvo.nl/information/corporate-social-responsibility

Company Profile

For reference please see examples in the current International Bio Economy Guide:

[Bio-energie Internationaal | RVO.nl](#)

Please state your company profile in English (including spaces) and describe your products and services and/or include some of the projects you are involved in related to your hydrogen activities. We recommend to use at least 1200 characters (including spaces) for an optimum use of space in the guide. **There is a maximum of 1500 characters**
